

WHO WE ARE

The Salsa Informant is a monthly publication dedicated to providing the latest information for up-coming salsa events including the very popular Salsa Dancing Calendar, as well as a featured front page article that highlights local and national performers within the Latin music scene. Salsa Informant has been consistently published since 1994.

Our goals are to keep the community informed about the latest salsa events in the Northwest, to promote Latin music in the Puget Sound, to recognize key players in the salsa scene and to provide the bridge to connect the community to local businesses and services.

We distribute 1,000 copies every month (2,000 for special events). We direct delivery at local latin clubs, latin stores, restaurants, community organizations and clubs (Seattle Metro, Tacoma, Bellevue, Lynnwood), We also do direct mailing from Vancouver, Canada to Olympia as well as Eastern Washington.
